Miles Beyond Ordinary
Transforming Thousands of Lives Every Year

DRAFT
Redeeming the Ordinary

“My salvation and honor depend on God; He is my mighty rock, my refuge.”
— Psalm 62:7

Over 35 years ago, thousands of people lived where Washington Family Ranch now sits. They lived with false hopes, following a leader who controlled their actions, thoughts and lives.

More than 20 years ago, Young Life started inviting kids with false hopes to this property — kids who believed they needed to prove themselves to be loved and accepted.

Extraordinary Need

“I waited patiently for the Lord; he turned to me and heard my cry.”
— Psalm 40:1

Today, kids encounter more hurdles than ever before. Always plugged in, they face constant pressure to perform, to be relevant and, sometimes, to survive.

Kids need to be known and loved.

To continue the legacy of Washington Family Ranch — with over 33,000 changed lives, hundreds of thousands of volunteer hours and millions of dollars invested — we need an Extraordinary Vision. We are creating greater capacity and accessibility while updating the aging infrastructure that was built in the 1970s.
Extraordinary Vision

“You see the trouble we are in: Jerusalem lies in ruins, and its gates have been burned with fire. Come, let us rebuild the wall of Jerusalem ... .”

— Nehemiah 2:17

Kids experience real relationships and the love of Jesus at Washington Family Ranch. They experience the thrill and fun of Canyon and Creekside, they enjoy the friendship of their leader and they hear the gospel in a place intricately created to strip away the campers’ distractions.

These camps are a testimony to the value of kids.

Our vision is to ensure that:

• Extraordinary Spaces allow every kid to visit camp.

• Kids have Extraordinary Adventures connecting with leaders who care for them.

• An Extraordinary Future provides kids with an opportunity to experience the love of Christ for generations to come.

Extraordinary Impact

“Therefore, if anyone is in Christ, the new creation has come: the old has gone, the new is here!”

— 2 Corinthians 5:17

SPACES

• New Creekside Dorm adds capacity for 1,232 more kids each summer.

• New Canyon Lodge makes camp accessible for every kid.

• New Canyon Store, Office and Infirmary serve guests better.

• New Creekside Snack Bar and Game Room provide less waiting and more doing.

• New Assignment Team Lodge builds community.

All of these additions translate into more guests and every kid experiencing real relationships and witnessing God’s love.

ADVENTURES

• Wastewater, Spillway and Dam Improvements ensure safety and double our water storage capacity.

• Canyon Central Utility Plant Modernization provides efficient resources.

• Muddy Road Reconstruction keeps safety first and bus loads of kids arriving.

Improvements will enable us to effectively manage growth and increase efficiency. The result — lower camp costs and more kids to camp for years to come.

FUTURE

• New Canyon Adventure Ride adds to the WOW factor.

• An Extraordinary Plaza creates an outdoor family room and a natural center to camp.

Kids will have more opportunities to build relationships while having fun with leaders.

Bo’s Tile

Bo is a middle schooler with cerebral palsy and is confined to a wheelchair. During his week at Creekside, his leader carried him on his back to the top of the waterslide 29 times. After experiencing the love of his leader and hearing about God’s love for him, Bo was carried on stage and symbolically put his heart on the cross.

Young Life camp is billed as the “best week of your life” because of the excellence, adventure, deep connections and an unobstructed introduction to Jesus.

Over 3/4 of Goal Reached
Bobby’s Rock

Like most teenage boys, Bobby is hilarious with his jokes, yet awkward — still hopping from group to group to find his place. Bobby came to camp afraid of mostly everything. He didn’t want to zip line or experience the swing and the volleyball tournament really wasn’t his thing. However, throughout the week his leader nudged him further and further outside his comfort zone. They went kayaking, played Frisbee golf and even hung out with some girls. The other boys invited him into their circle. By the end of the week, Bobby had conquered his fear of the zip line and the swing. Bobby stood up and gave his life to Jesus on the last morning of camp. His rock is included in the pile.
